Cleaning Policy

To maintain low user cost and to keep Forever Earth in great shape for years to come, participants are required to clean up after themselves. We ask that the following please be completed:

- wipe down table and counter surfaces with provided spray cleaner
- clean galley appliances that were used, and clear refrigerator of all food and drinks brought aboard
- empty the ice tray in the freezer compartment
- empty trash and clean all surfaces in the restrooms
- clean and put away all laboratory equipment and glassware that were used
- turn off and cover any electronic laboratory equipment that was used
- shut down computer and turn off monitor
- vacuum carpets if necessary, and wipe up any spills on decks and tile flooring
- walk through the interior and all decks to make sure no belongings are left behind
- dispose of all garbage and recyclables in the appropriate receptacles at the marina

Important note:

Cleaning solutions meeting specific environmental standards are provided onboard; all other cleaning solutions are prohibited!
